

SAFETY DATA SHEET

RELIEF (#3508)
Product ID: FP335301
Revised: 06-15-2023
Replaces: 09-03-2013

1. IDENTIFICATION

Product Name: RELIEF (#3508)
Synonyms: R11647
CAS Number: MIXTURE
Recommended Use: No data available.
Restrictions on Use: No data available.

Hydrite Chemical Co.
17385 Golf Parkway
Brookfield, WI 53045
(262) 792-1450

EMERGENCY RESPONSE NUMBERS:
24 Hour Emergency #: (414) 277-1311
CHEMTREC Emergency #: (800) 424-9300

2. HAZARD(S) IDENTIFICATION

Signal Word: Warning
GHS Classification: Serious Eye Damage/Eye Irritation Category 2A
Hazard Statements: Causes serious eye irritation.
Precautionary Statements:
Prevention: Wash thoroughly after handling.
Wear protective gloves/protective clothing/eye protection/face protection.
Response: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
If eye irritation persists: Get medical advice or attention.

Hazards Not Otherwise Classified: None known.

Percentage of Components with Unknown Acute Toxicity:

Oral: 17.1 %
Dermal: 29.6 %

3. COMPOSITION/INFORMATION ON INGREDIENTS

| Component | CAS Number | % by Wt. |
|--|-------------------|-----------------|
| Oxirane, Methyl-, Polymers with Oxirane | 9003-11-6 | < 30 % |
| D-Glucopyranose, oligomeric, decyloctyl glycosides | 68515-73-1 | < 20 % |

4. FIRST-AID MEASURES

RELIEF (#3508)**Product ID: FP335301**

Eye Contact: If in eyes: Immediately flush eyes with plenty of water for at least 15 minutes while holding eyelids open. Tilt head to avoid contaminating unaffected eye. Get immediate medical attention.

Skin Contact: If on skin: Flush skin with plenty of water while removing contaminated clothing and shoes. Do not reuse clothing or shoes until cleaned. If irritation develops or persists, get medical attention. Wash with soap and water.

Inhalation: If inhaled: Remove to fresh air. If breathing is difficult, administer oxygen. If not breathing, give artificial respiration, preferably mouth-to-mouth. GET MEDICAL ATTENTION IMMEDIATELY.

Ingestion: If swallowed: If fully conscious, drink a quart of water. DO NOT induce vomiting. CALL A PHYSICIAN IMMEDIATELY. If unconscious or in convulsions, take immediately to a hospital or a physician. NEVER induce vomiting or give anything by mouth to an unconscious victim. If vomiting occurs spontaneously, keep head below hips to prevent aspiration of liquid into the lungs. Give several glasses of water to drink to dilute.

Note to Physicians:

There is no specific antidote. Treatment of overexposure should be directed at the control of symptoms and the clinical condition of the patient.

Most Important Symptoms/Effects:

Eye Contact: Causes severe irritation.

Skin Contact: Contact may cause: irritation.

Skin Absorption: No data available.

Inhalation: At room temperature, exposure to vapor is minimal due to low volatility; single exposure is not likely to be hazardous. Vapor from heated material may irritate: respiratory tract.

Ingestion: Low toxicity. Small amounts swallowed incidental to normal handling operations are not likely to cause injury; swallowing amounts larger than that may cause injury. May cause: gastrointestinal disturbances. Aspiration into the lungs may occur during ingestion or vomiting, causing lung damage or even death due to chemical pneumonia.

5. FIRE-FIGHTING MEASURES

Extinguishing Media: Dry chemical. Foam. Water spray. Carbon dioxide. DO NOT USE: Direct water stream.

Fire Fighting Methods: Evacuate area of unprotected personnel. Wear protective clothing including NIOSH-Approved self-contained breathing apparatus. Remain upwind of fire to avoid hazardous vapors and decomposition products. Run-off from fire control may cause pollution. Do not use direct water stream. May spread fire. Move containers from fire area if possible without hazard.

Fire and Explosion Hazards: Container may rupture from gas generation in a fire situation. Violent steam generation or eruption may occur upon application of direct water stream to hot liquids. Spills of these organic materials on hot fibrous insulations may lead to lowering of the autoignition temperatures possibly resulting in spontaneous combustion.

Hazardous Combustion Products: Carbon monoxide. Carbon dioxide. Irritating and/or toxic gases.

6. ACCIDENTAL RELEASE MEASURES

Spill Clean-Up Procedures: Evacuate unprotected personnel from area. Maintain adequate ventilation. Follow personal protective equipment recommendations found in Section 8. Contain spill, place into drums for proper disposal. Soak up residue with inert absorbent material. Place in non-leaking containers for immediate disposal. Avoid direct discharge to sewers and surface waters. Notify authorities if entry occurs. Flush remaining area with water to remove trace residue and dispose of properly. CAUTION: Spilled material may be slippery.

7. HANDLING AND STORAGE

RELIEF (#3508)

Product ID: FP335301

Handling: Avoid contact with eyes, skin, and clothing. Use with adequate ventilation. Do not swallow. Avoid breathing vapors, mists, or dust. Do not eat, drink, or smoke in work area. Wash thoroughly after handling.

Storage: Store in a cool, dry place. Keep away from incompatible materials. Do not freeze. Keep containers tightly closed. See Section 10 for incompatible materials.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

OSHA Exposure Guidelines:

| <u>Component</u> | <u>Limits</u> |
|----------------------|---------------|
| No components found. | |

ACGIH Exposure Guidelines:

| <u>Component</u> | <u>Limits</u> |
|----------------------|---------------|
| No components found. | |

Engineering Controls: General room ventilation is required. Use local exhaust to control vapors/mists. Maintain adequate ventilation. Avoid creating dust or mist. Do not use in closed or confined spaces.

Eye/Face Protection: Wear chemical safety goggles while handling this product. Wear additional eye protection such as a face shield when the possibility exists for eye contact with splashing or spraying liquid, or airborne material.

Skin Protection: Prevent contact with this product. Wear gloves and protective clothing depending on condition of use. Protective gloves: Chemical-resistant. Rubber. Plastic.

Respiratory Protection: Respiratory protection may be required to avoid overexposure when handling this product. If vapors or mists are present, wear: NIOSH-Approved air-purifying respirator with: Organic vapor cartridge and Dust/mist filter. NIOSH-Approved self-contained breathing apparatus. DO NOT exceed limits established by the respirator manufacturer. All respiratory protection programs must comply with OSHA 29 CFR 1910.134 and ANSI Z88.2 requirements and must be followed whenever workplace conditions require a respirator's use.

The recommended respiratory protection applies to the concentrated product. When the product is diluted to normal use concentrations, no respiratory hazard is expected. Respiratory protection is not required when the product is used at recommended dilution concentrations.

Other Protective Equipment: Eye-wash station. Safety shower. Protective clothing. Rubber apron. Rubber boots.

General Hygiene Conditions: Wash with soap and water before meal times and at the end of each work shift. Food, beverages, and tobacco products should not be carried, stored or consumed where this material is in use.

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical State: Liquid.

Color: Clear. Dark brown.

Odor: Mild surfactant.

Odor Threshold: N.D.

pH: 7.5 (as is)

Freezing Point (deg. F): N.D.

Melting Point (deg. F): N.D.

Initial Boiling Point or Boiling Range: N.D.

Flash Point: N.A.

Flash Point Method: N.A.

Evaporation Rate (nBuAc = 1): N.D.

Flammability (solid, gas): N.D.

Lower Explosion Limit: N.A.

Upper Explosion Limit: N.A.

RELIEF (#3508)
Product ID: FP335301

Vapor Pressure (mm Hg): N.D.
Vapor Density (air=1): N.D.
Specific Gravity or Relative Density: 1.08 @ 25 C
Solubility in Water: Appreciable
Partition Coefficient (n-octanol/water): N.D.
Autoignition Temperature: No Data
Decomposition Temperature: N.D.
Viscosity: N.D.
% Volatile (wt%): N.D.
VOC (wt%): N.D.
VOC (lbs/gal): N.D.
Fire Point: N.D.

10. STABILITY AND REACTIVITY

Reactivity: No data available.

Chemical Stability: Stable under normal conditions.

Possibility of Hazardous Reactions: Hazardous polymerization will not occur under normal conditions.

Conditions to Avoid: Product can decompose at elevated temperatures. Generation of gas during decomposition can cause pressure in closed systems.

Incompatible Materials: Strong oxidizing agents. Strong acids. Strong bases. Oxidizing agents. Bases.

Hazardous Decomposition Products: No decomposition if used according to specifications. Hazardous decomposition products depend upon temperature, air supply, and the presence of other materials. Decomposition products can include and are not limited to: Aldehydes. Ketones. Organic acids. Polymer fragments. Alcohols. Ethers. Hydrocarbons.

11. TOXICOLOGICAL INFORMATION

| <u>Component</u> | <u>Oral LD50</u> | <u>Dermal LD50</u> | <u>Inhalation LC50</u> |
|--|------------------|----------------------|------------------------|
| D-Glucopyranose, oligomeric, decy octyl glycosides | No Data | Rabbit: > 2000 mg/kg | No Data |

Routes of Exposure: Eyes. Ingestion. Inhalation. Skin. Absorption.

Eye Contact: Causes severe irritation.

Skin Contact: Contact may cause: irritation.

Skin Absorption: No data available.

Inhalation: At room temperature, exposure to vapor is minimal due to low volatility; single exposure is not likely to be hazardous. Vapor from heated material may irritate: respiratory tract.

Ingestion: Low toxicity. Small amounts swallowed incidental to normal handling operations are not likely to cause injury; swallowing amounts larger than that may cause injury. May cause: gastrointestinal disturbances. Aspiration into the lungs may occur during ingestion or vomiting, causing lung damage or even death due to chemical pneumonia.

Medical Conditions Aggravated by Exposure to Product: No data available.

Other: In animals, effects have been reported on the following organs: lungs.

Cancer Information:

This product does not contain 0.1% or more of the known or potential carcinogens listed in NTP, IARC, or OSHA.

12. ECOLOGICAL INFORMATION

Ecotoxicological Information: No data available.

Chemical Fate Information: No data available.

13. DISPOSAL CONSIDERATIONS

Hazardous Waste Number: N.A.

Disposal Method: Dispose of in accordance with all local, state and federal regulations. Regulations may vary in different locations. Waste characterizations and compliance with applicable laws are the responsibility solely of the waste generator. Do NOT dump into any sewers, on the ground, or into any body of water.

14. TRANSPORT INFORMATION

DOT (Department of Transportation):

Proper Shipping Name: Not regulated by the DOT.

15. REGULATORY INFORMATION

TSCA Inventory Status: All components of this product are on the TSCA Inventory or are exempt from TSCA Inventory requirements.

SARA Title III Section 311/312 Category Hazards:

| <u>Immediate (Acute)</u> Yes | <u>Delayed (Chronic)</u> No | <u>Fire Hazard</u> No | <u>Pressure Release</u> No | | | <u>Reactive</u> No | |
|---------------------------------|--------------------------------|----------------------------|-------------------------------|---------------------------|---------------------------|-------------------------|--------------------------|
| <u>Component</u> | <u>CAS</u> <u>Number</u> | <u>CERCLA</u> <u>RQ</u> | <u>SARA</u> <u>EHS</u> | <u>SARA</u> <u>313</u> | <u>U.S.</u> <u>HAP</u> | <u>WI</u> <u>HAP</u> | <u>Prop</u> <u>65</u> |
| No components found. | | | | | | | |

*Prop 65 - May Contain the Following Trace Components:

This product contains a chemical(s) known to the State of California to cause cancer, birth defects or other reproductive harm.

16. OTHER INFORMATION

Hazard Rating System

Health: 3
Flammability: 0
Reactivity: 0
* = Chronic Health Hazard

NFPA Rating System

Health: 3
Flammability: 0
Reactivity: 0
Special Hazard: None

SDS Abbreviations

N.A. = Not Applicable
N.D. = Not Determined
HAP = Hazardous Air Pollutant
VOC = Volatile Organic Compound
C = Ceiling Limit

RELIEF (#3508)
